## **CERTIFICATE OF COMPLIANCE – Phthalates-Free Declaration –**

Nexperia B.V. certifies that its semiconductor products are free from intentionally added phthalates classified as carcinogenic, mutagenic, or toxic to reproduction (CMR) substances, falling under categories 1A or 1B as defined by EU REACH (Regulation (EC) No 1907/2006 of the European Parliament and of the Council), appendices 1 to 6.

To facilitate compliance checks and inform the public, we make product composition declarations available on our public website. The signature below verifies that the above statements, including any product composition data, are valid and accurate to the best of our knowledge. Nexperia has implemented robust systems to ensure that our products comply with global environmental regulations and laws. However, we cannot guarantee that all materials in our products have been independently verified regarding their substance content. In the event of any issues arising from information in this document, Nexperia's standard terms and conditions of sale shall apply, unless alternate contracts have been agreed upon in writing by both parties.
